

## Example of a Statement of Account or Invoice

Clearly visible should be: your name, the semester, semester charges and refunds and any scholarships applied to your semester.

For the December due date you should be sending your Fall Statement of Account that just finished, for the May due date you should be sending your Spring Statement of Account that just finished.

Account Detail for Term

 Review detail transactions on your account, including current and future balance totals for the selected term and other terms.

2024 Spring

| Detail Code | Description                   | Charge             | Payment            |
